(2 Times)

You shall be holy, we shall be holy
Tikkun Middot Ha'Nefesh – The Way of the Soul
You shall be holy, we shall be holy
Tikkun Middot Ha'Nefesh – The Way of the Soul

Everyday, I'm seeking to be
A sacred soul on this life journey
Everytime (everytime) I look at my life
I'm trying to see it through God's eyes

And I know, there's a path I can go on
A beautiful mirror I look at to feel strong
There's so many choices that I can choose from
My practice of Mussar helps as I go along

Niggun/Chorus:

Yum-bye ya-dye-dye-dye-dye dye-da-dye
Yum-bye ya-dye-dye-dye-dye dye-da-dye

Who am I? In this every-changing life?
What part of myself will I let shine?
I take *Mussar* moments each day to define
The *middot* that make me feel divine

It's the way that I think, it's what makes me whole
The way I uncover the light of my soul
The way I show up, the way I respond
The way I make space for others and God

Niggun/Chorus:

(2 times)

Yum-bye ya-dye-dye-dye-dye dye-da-dye
um-bye ya-dye-dye-dye-dye dye-da-dye

Who am I? In this every-changing life?
What part of myself will I let shine?
I take *Mussar* moments each day to define
The middot that make me feel divine

(2 times)

Yum-bye ya-dye-dye-dye-dye dye-da-dye
Yum-bye ya-dye-dye-dye-dye dye-da-dye

You shall be holy, we shall be holy
Tikkun Middot Ha'Nefesh – The Way of the Soul
You shall be holy, we shall be holy
Tikkun Middot Ha'Nefesh – The Way of the Soul
The way of the soul...
The way of the soul...
